Refunds, replacements, violations

Refunds are only granted for ski passes valid for 3 days or more. The refund can only be granted to the holder of the ski pass when he or she can verify that further use of the pass is hindered due to reasons such as an accident or illness. The pass must be returned to the issuing office promptly and, when necessary, also by a third party. In the event of a refund, the date of return and not, for example, the date of the accident applies. The refund is only possible with a signed statement by a physician. Family members or friends travelling with the person are not entitled to a refund.

Loss of day/season passes

Lost day/season passes will not be replaced. Lift passes left at home will not be replaced.

Limited use or discontinuation of lifts

Limited use or discontinuation of lift operations due to adverse weather conditions, danger of avalanches, heavy snowfall, closing of ski pistes, lack of snow, operational malfunction, etc. does not constitute grounds for claims to refunds, extensions, renewals or reimbursements of any sort.

Misuse of passes

Any misuse of passes, including the transfer of ski passes or any alterations made to the information on the pass in particular, will result in the immediate forfeiture of the pass without reimbursement. Moreover, the company management reserves the right to prosecute such violations.

Liability

Please observe the FIS rules (www.fis-ski.com), signals and barriers. The use of the grounds beyond the marked and groomed pistes of the «Ferien- und Sportzentrum Hoch-Ybrig AG» is at your own risk. The company management disclaims all liability.
